For the attention of Mark Nolan

Dear Mark,

Please accept this letter as testimonial that we are very happy with Catalyst Computers as a provider of our computer systems. You have been our provider since 1996 and your software, hardware and backup services are excellent. Your staff are always very helpful and respond quickly to our requests for help and support.

On-going training and updating of the system is excellent as well as the adaptability within it.

We highly recommend Catalyst Computers

Yours faithfully

Kathy Skinner
