

Platinum 4.2.7.0 Release Notes

Features

Version	Area	Category	Description	Ref
4.2.7.0	Payroll	NI Contributions	Payroll Updates - NI Contributions rates from 6 November 2022 In the Chancellor's September statement there was an announcement of the cancellation of the Health and Social Care Levy, and in-year reductions in National Insurance contribution rates. This Platinum update makes the necessary adjustments to the Payroll module. Note: This update should be installed only when you are ready to process payroll for pay dates of 6th November or later and have completed processing of all pay dates before this.	14764 14765

Export to QuickBooks

This addition to the Data Export module enables users to export Customer records, Sales Invoices and Credits in CSV file format. These can then be imported into the QuickBooks Online accounting package.
